The Honorable Vice Chancellor
Aligarh Muslim University
Aligarh

Subject: To conduct LLM entrance test at Central level by the Controller of Examinations.

Respected Sir,

With due respect I would like to submit following:

1. Law department of Aligarh Muslim University is a prestigious department and carrying a reputation not only in India but also at international level. The courses carried out in the department of law like BALLB (Hons), LLM, and Ph.D. is in great demand nationwide due to the reputation of its quality and high standard.
2. BALLB entrance test is conducted centrally by the Controller of Examinations. Earlier the entrance test of LLM was also conducted centrally to maintain sanctity of the test and fairness of the admission.
3. For reasons best known to the University the LLM test has been shifted from central level to the departmental level, probably during the period of the previous Vice Chancellor. The department of Law is conducting LLM test successfully in spite of having limited resources at its disposal. The entire procedure of conducting the test involves different stages like submission of application forms, setting of question paper, printing of question paper, arrangement of Test Centers, issuance of Hall Tickets etc. In the present context I feel that department of Law is not properly equipped for the same and therefore help of the Controller of Examinations is frequently required at every stage.
4. I am of the personal opinion that this Admission Test again may be conducted at central level as the office of the Controller of Examinations is much more equipped in term of technology and resources for the smooth conduct of the test.

In the light of the above submission I humbly request you to consider the shifting of LLM test from Departmental level to the Central level under the Controller of Examinations.

Yours respectfully,

15/12/20
(Professor Zaheeruddin)
