

**Faculty of Agricultural Sciences**

**M.Tech in Agricultural Process & Food Engineering**

- A) **Physics** : Mechanics, Electricity and Magnetism, **Thermodynamics**, Elementary Electronics
- B) **Chemistry** : Physical, Analytical, Organic, Inorganic
- C) **Mathematics** : Calculus, Geometry of 2 & 3D and Complex Trigonometry, Matrices and Determinants, Numerical Analysis and Differential Equations
- D) **General Engineering** : Applied Mechanics, Instrumentation, Fluid Mechanics, Heat and Mass Transfer
